

FULLY HUMAN (full version)

I am not Israeli, I am not Palestinian.
I am not Jew, I am not Muslim.
I am not Catholic, I am not Protestant.
I am not Ukrainian, I am not Russian.
I am not a fan of labels at all.

I am not Democrat, I am not Republican.
I am not White, I am not Black.
I am not male, I am not female.
I am not gay, I am not straight.
I am not a box to be checked.

I refuse any labels,
all labels, that is,
except these.
I am me, and I am human.
As are you, and you, and you.
I am you, and I am divine.
As are you, and you, and you.

Regardless what labels
society (or you yourself) assign you.
We are ALL human,
We are one,
We are divine.

Stand with me for dignity,
Freedom, self-determination, and respect
For all, from all.
No good comes of chaos,
No good comes of ill will,
No good comes of terrorism or war.

We are unique, we are the same.
Let us look deeply at one another
with curiosity and compassion,
not judgment and contempt,
to see not flaws and chasms
but to discover common ground
and unexpected delights.

If the pen is mightier than the sword,
the heart is mightier than the mind.
Love conquers fear,
Love conquers hate,
Love conquers all.
Let love lead.

Let peace reign.
I know not your situation, nor you mine.
I know not your right path, nor you mine.
Our destiny is
our own to choose.

Choose not to dictate
- it's not your place.
Choose not to judge
- you have no right.

Choose curiosity and joy.
Choose compassion and love.
Choose acceptance and peace.
Choose to live fully human.
That's divine right.
